PROJECTS

Dezign Drop

Adobe Creative Jam (2020)

- Designed an app using Adobe XD and Adobe Illustrator that encourages teens to explore design
- Conceptualized product's colour scheme and typography as well as users' personas

Portfolio Website

Personal Project (2020)

- Designed and developed a website to showcase my work using HTML and CSS
- Created graphics using Adobe Illustrator

Breeze

StarterHacks (2020)

- Envisioned and designed our product's brand, such as colour scheme, typography, and logo

EXPERIENCE

Princess Margaret Cancer Centre

Research Volunteer (Jul. 2019 - Aug. 2019)

- Analyzed and collected data on Excel sheets by auditing patient record charts for a clinical study on Medical Assistance in Dying (MAiD)
- Revised a clinical study manuscript using Word

Chamber Collective

President (2014 - 2020)

- Organized performances by contacting each venue's event manager via email
- Performed as a violinist for seniors and students at hospitals, retirement homes, and schools
